

Our commitment to your health and safety

September 2021

All of our events have or will obtain their «Safe & Clean» label from Apave Certification, a third-party certification body independent of the Apave Group.

The Safe & Clean label attests to the proper implementation of health measures facing the Covid-19 risk.

Guided by the French Government, the World Health Organization (WHO) health measures and the RX COVID Management Plan, our actions are subject to change overtime in accordance with associated recommendations.

1. Sanitary pass

Per application of current French sanitary regulations, access to our events for all participants will be subject to the presentation of a valid sanitary pass* attesting to one of the three types of proof below:

1. A vaccination certificate attesting to a complete vaccination program using a vaccine against covid-19 authorised by the European Commission:

- Janssen Vaccine: 28 days after administration of the single dose
- Pfizer, Moderna and AstraZeneca vaccines: 7 days after the administration of a second dose, except for people who have been infected with Covid-19, for whom this period runs after the administration of the initial dose.

2. Proof of a negative test of less than 72 hours (RT-PCR, antigen or self-test carried out under the supervision of authorized health professionals).

3. The result of a positive RT-PCR or antigen test attesting to recovery from Covid-19, dating at least 11 days and no more than 6 months.

These certificates are encoded and signed in the form of a QR Code. They can be presented in paper or digital format.

For more information please visit the show website.

*The French sanitary pass is identical to the «EU Digital COVID Certificate». For more information please go to : https://ec.europa.eu/info/live-work-travel-eu/coronavirus-response/safe-covid-19-vaccines-europeans/eu-digital-covid-certificate_en

2. Mandatory surgical face masks

3. Hand sanitisers will be available during the event

Touch-free hand sanitiser stations will be located throughout the premises and in common areas

4. Compliance with capacity limits and regulation of visitor traffic flows

We will ensure that maximum capacity limits are complied with in exhibition halls, conference spaces and food service areas...

5. Increased disinfection

6. Digitalised access passes

In order to avoid queues and frequent contact, we use print@home passes wherever possible, so remember to print your badge before the trade show.

7. Special communication and safety reminders

Staff and participants will be reminded of health measures before and throughout the event.

8. New meeting spaces and conference rooms

Spaces will be reorganised to enable face-to-face meetings while following social distancing measures.

9. On-site food services

Tables will be arranged to follow social distancing measures, with 2 m between each table and no more than 10 people per table.

10. Management of individuals with COVID symptoms

A medical team will be present for the duration of the event. Suspected COVID-19 cases will be isolated and handled by suitable health professionals.
